We have over 70 years experience to deliver, what some say is, the tastiest meat in the valley. The best part, all of our animals and their feed are raised on our farm, right here in Kuna Idaho!

Our meat is USDA inspected and processed locally by Meridian Meat and Sausage. You can buy individual cuts from T-Bone to Ground Beef, Pork Chops to Sausage and sign up for one of our Meat Subscriptions. Stop by and see our competitive prices. Why settle for the meat in the big chain grocery stores, not knowing where it came from or what it was fed?

Our vegetable plants are started by seed in our greenhouse. Each plant is transplanted by hand into our garden. Our veggies are pesticide free and raised with TLC so we can give you the best product possible. Fresh, tasty and naturally GROWN IN IDAHO.
